
"Only Joking" Laughed the Lobster by Colin West

Colin West

during this hilarious never-cry-shark story, the lobster is having fun with telling the opposite sea creatures that they are approximately to be eaten by way of a shark. Has he noticed, though, the shark that is following him?

Lobster thinks it truly is enjoyable to scare his friends. He tells all of his pals shark goes to

gobble them up, after which says "Only joking!." Lobster has a lot enjoyable teasing his buddies that he doesn't realize shark has been following him. Lobster will get cornered through a shark and devoured up. The paintings for this ebook is completed in "Only Joking" Laughed the Lobster a comic strip style. The animals all have vibrant eyes jam-packed with emotion. The surroundings is shiny and colorful, and should attract children. there are just a few phrases on every one page, and the phrases are relatively repetitive, making it beautiful to younger children. The repetition makes this a superb e-book for storytime audiences. the youngsters will love the chance to shout "Only joking!" at any time when the lobster tells his buddies a shark is at the back of them. This publication is ideal for a storytime approximately fish or the ocean. it can even be used as a publication to illustrate no longer teasing different people.

Only Joking Laughed The Lobster
