# A Choctaw Reference Grammar by George Aaron Broadwell

George Aaron Broadwell

This e-book is the main A Choctaw Reference Grammar entire reference grammar of Choctaw, an American Indian language spoken through nearly 11 thousand humans positioned essentially in Mississippi and Oklahoma. in line with nineteen years of box paintings with audio system of the Mississippi and Oklahoma dialects and greater than a hundred and fifty years of written Choctaw material, A Choctaw Reference Grammar comprises the main entire description to this point of the morphology of the language in addition to an intensive remedy of word structure, observe order, case marking, and complementation. The Choctaw tribe was once divided into Oklahoma and Mississippi teams through the Indian removing of the 1830s. at the present time the vast majority of fluent audio system one of the Oklahoma Choctaws are greater than 40 years old, and few kids communicate the language. even supposing extra little ones one of the Mississippi Choctaws examine the language, the quantity is declining. simply because language is key to holding the Choctaws' lifestyle and either dialects of Choctaw are endangered, cautious documentation of the grammatical constitution of the language is severely important. Compiled via the top scholarly specialist at the Choctaw language, George Aaron Broadwell, this quantity is either a pragmatic advisor to local audio system and an vital guide for linguists.
