nice delicate A Covenant of Love (The Appomattox Saga #1) writing, specifically for a guy author. Being a insurgent myself, I loved the tale line and subject matters included. He used to be rather descriptive with character's personalities that I felt like I knew them. i may consider the fad that Clay allowed and the kindness that Gideon exhibited to his friend. the nature of Melora was once endearing and the way Clay the Lord's prime after his conversion. the landlord of the plantation needed to humble himself and that i think in his past due existence discovered an excellent lesson approximately his son's change. An total wonderful read.
