Moscow's most sensible law enforcement officials A Fine Red Rain (Porfiry Rostnikov #4) are at the case as a number of murders sweep the city. there is Rostnikov, as soon as a hero within the nice warfare opposed to Hitler, lately demoted after clashing with the KGB. there is younger Sasha, who seems extra like a child than a cop. and there is Karpo, clever and determined, feared via criminals. Together, they might tune down the killers -- yet what if their seek led into forbidden areas, into the Kremlin itself?

by chance I learn this just a little out of order. I must have learn this earlier than a chilly crimson Sunrise. a couple of small issues ensue the following that greater clarify the place Rostnikov and his comrades are in terms of crimson Sunrise. By the beginning of this installment within the sequence Porfiry has all started to mellow a bit of (much just like the inspector i have me within the later books that i've got read). He sees himself as unfailingly Russian. anyone who accepts that lifestyles is. That lifestyles isn't A Fine Red Rain (Porfiry Rostnikov #4) constantly fair, A Fine Red Rain (Porfiry Rostnikov #4) that the KGB has him on its crap list, and he now not has his senior A Fine Red Rain (Porfiry Rostnikov #4) inspector rank with the Procurator General's workplace (nor will he). as an alternative he unearths himself status within the rain attempting to cease a guy from leaping to his demise from a statute of Gogol. As is common in a Rostnikov tale Sasha and Karpo every one has their very own instances going on, and this isn't quite A Fine Red Rain (Porfiry Rostnikov #4) a bit a secret story as one who includes the circus and the affairs that hinder Soviet policemen from doing their job. in the meantime Porfiry rediscovers his love for the circus. Much preferred is how Mathilde humanizes Karpo a bit through the process A Fine Red Rain (Porfiry Rostnikov #4) his investigation. fortunately Blood and Rubles is a number of books away.
