photographer) shows, Mrs. Hershey recorded lifestyles with an strangely inventive flair. "Recorded because it is through the clever lens of Ruth Hershey and the considerate descriptions of Phyllis Pellman Good, the e-book is a hot and energetic portrait." -- Washington publish

in view that I take pleasure in studying historical past and old Fiction books, this was once a very good learn for purchasing a few perception into the lives of girls within the Mennonite group within the early twentieth century. This booklet is a quick pictorial tale of the lifetime of Ruth Hershey. She used to be no longer the stereo-typical stoic Mennonite woman. the images have been taken by way of Ruth herself with a field digicam and her grandson (also a photographer) preserved the pictures for this particular collection.
