# **A Plague of Darkness: Or the Unseen and the Unseeable**

Paul J.J. Payack

"A Plague of Darkness" sheds light upon the feel of quiet desperation presently devastating the kids of our society: Black, white, yellow or red. This plague, which we watch morph and rework itself into its differing varieties each night on our nightly information is an equivalent chance destroyer. In the course of a cross-country aircraft trip, Payack penned "A Plague of Darkness." To higher illustrate (and A Plague of Darkness: Or the Unseen and the Unseeable encapsulate) the emotional toll this unseeable plague has wreaked upon the emotional lives of our kids around the land, he extra illustrated this essay with a chain of a few thirty 'collages' that can assist you see the devastation throughout the brain (and eye) of the child, which stay hopeful, above all.

## **A Plague Of Darkness Or The Unseen And The Unseeable**
