## A Rainha Sol by Christian Jacq

Christian Jacq

Neste livro o autor conta-nos a espantosa, quase inacreditável história da mulher do célebre Faraó Tutankhamon. Terceira filha do Faraó herético Akhenaton, Akhesa sonha com a glória, todos concordam que tem estofo de A Rainha Sol Rainha. A jovem vê abrir-se o caminho para o trono graças a uma vontade inquebrantável e uma inteligência fora do comum. Obra apaixonante, tecida de acontecimentos históricos, ficção e intriga, miséria e grandeza humana, A Rainha Sol é um livro inesquecível.

Appassionante ritratto di una grande donna del passato“La regina sole” è l'appassionante storia di Ankhesenamon, qui chiamata semplicemente Akhesà, terza figlia del faraone eretico Akhenaton, e della splendida Nefertiti, e grande sposa reale del suo successore Tutankhamon, dimenticato in keeping with lungo pace dalla storia e divenuto famoso in seguito al ritrovamento della sua celebre tomba A Rainha Sol quasi intatta. Questo bellissimo romanzo storico interpreta gli avvenimenti coperti in parte dal mistero che avvolge il regno del faraone eretico e del giovane re Tut, morto in circostanze misteriose e in giovane età dopo soli nove anni di governo. Nel dipingere questo affresco storico, Jacq si avvale del punto di vista privilegiato della regina sole, Ankhesenamon, originariamente chiamata Ankhesenaton (o Ankhesenpaaton) e costretta a cambiare il suo nome dopo l. a. morte del padre, con il ritorno al culto di Amon, dopo los angeles A Rainha Sol parentesi monoteista amarniana rivolta al dio Aton (disco solare). Le informazioni giunte a noi su questo periodo storico situato verso l. a. tremendous della diciottesima dinastia sono frammentarie e ricche di dubbi, che forse non saranno mai del tutto fugati. Non si sa con certezza se l. a. memoria del faraone eretico e del suo giovane successore siano kingdom in parte cancellate nel tentativo A Rainha Sol di eliminarli dalla storia o se fosse semplicemente parte di un rituale del tempo, che non necessariamente implicasse un odio nei loro confronti. Tra l'altro studi più recenti avrebbero dimostrato che los angeles morte del re Tut fu probabilmente accidentale e non un omicidio come si period favoleggiato according to tanti anni, accostando ciò alla cosiddetta maledizione della sua tomba, da cui tante storie sono poi fiorite. Fatto sta che questi eventi sono stati terreno fertile in line with gli autori di romanzi storici che hanno tentato di raccontarci in qualche modo l. a. loro storia. Jacq l'ha fatto con maestria, mescolando fatti reali, essendo lui stesso uno studioso di egittologia, a supposizioni e licenze poetiche. “La Reine Soleil” nasce da tutto questo, mescolando realtà e sogno, e A Rainha Sol mostrandoci una giovane donna del passato dalla grande volontà e dignità, l. a. cui figura tiene alta los angeles già gloriosa immagine delle donne dell'antico Egitto. Sebbene conoscessi los angeles storia e sapessi già come sarebbe andata a finire, mi sono appassionata nel leggere queste pagine, accanto advert Akhesà. Ho sofferto e mi sono commossa con lei e consistent with lei. Una lettura imperdibile in step with gli egittofili e gli amanti della storia in generale. Peccato che los angeles versione italiana, se mai esistita, sia introvabile. In compenso il testo nella lingua originale è veramente sublime.
