There are already many expositions and A Verse by Verse Exegesis of Hebrews commentaries besides a number of different reviews bases upon every thing from who wrote the letter, to whilst it used to be written, to the doctrinal view expressed therein. My hope was once to get correct down into the center of this letter verse by way of verse and observe through word, to listen to the very center of this author and to appreciate what the Spirit in him and via him was once announcing and is now asserting to those that have an ear to listen to and a middle to understand Christ, the residing Word. we're not delivering to you, the reader, one other model or revision of the scripture, even if we've been super cautious to take care of the integrity of every note as to its unique which means and definition. we're supplying to you what we think to be a real verse by means of verse exegesis of this letter via rigorously following the vital subject matter of the letter from begin A Verse by Verse Exegesis of Hebrews to finish, that is "God hath spoken in Son" A Verse by Verse Exegesis of Hebrews (Heb. 1:2).
