
ACROSS THE WIDE MISSOURI

**The Diary of a Journey from Virginia to
Missouri in 1819 and Back Again in 1822**

**James Brown
Campbell**

Across the Wide Missouri by Carson Davis Campbell

Carson Davis Campbell

around the vast MISSOURI in the summertime of 1819, Alexander Campbell and his relations and their servants, besides different travelers, departed from the comparative convenience in their domestic in Highland County, Virginia, to set forth on a pio-neering trek to the desert nation of the Missouri Territory. James Brown Campbell, the family's eldest son, then simply 20 years of age, begun protecting a diary in their journey, recounting their negative hardships, either at the method and after arriving within the "Promised Land," Across the Wide Missouri plus an in depth account of his paintings surveying components of Missouri Territory, and their final, excruciating journey again domestic in 1821, a trek that used to Across the Wide Missouri be compelled to an abrupt halt via the unexpected disorder and poignant Across the Wide Missouri loss of life of Campbell's mom close to Paoli, Indiana. Published for the 1st time ever, and meticulously edited through James's great-great-grandniece, Mary A. Burgess, this interesting transcription contains a genealogical cartoon of the Camp-bell clan, a map of the Missouri Territory, and wide identify and position indexes. not just illustrative of its interval and the hardships continued by means of those that headed west into basically unchartered land, this e-book presents a relocating and thought-provoking account of lifestyles in the course of America's pioneer days. MARY A. BURGESS has contributed a variety of essays on literature and historical past to a number of reference publications; she has additionally edited or written twenty books. MICHAEL BURGESS is an emeritus professor within the California nation collage System.
