# Amazons to Fighter Pilots: A Biographical Dictionary of Military Women

Robin D. S. Higham

In 1942, in the course of the conflict of Stalingrad, fighter pilot Liliia Litviak turned the 1st lady to shoot down an enemy aircraft. within the 1850s, Lakshmi Bai, a horsewoman, strong shot, and Rani of the Indian principality of Jhansi, rallied her topics and defended the principality opposed to a British siege. From antiquity to the present, millions of girls have served within the army as soldiers, sailors, physicians, and pilots, but their tales were hidden from history. This publication tells their stories, with specific specialize in ladies who fought. Entries profile over three hundred impressive girls of the military, masking such teams because the Amazons, ladies within the Spanish Civil War, and local Americans. the whole sweep in their event is contextualized via an in depth timeline and introductory survey. extra tidbits—quotations, statistics, details on ladies and war—appear in sidebars during the text. Lists grouping entries by way of geographical regions, time periods, and department of provider function discovering aids for researchers, making this a different source for students, scholars, and the final reader.
