

**AMERICAN POETRY
OF THE SEVENTEENTH CENTURY**

Harrison T. Meserole, Editor

American Poetry of the Seventeenth Century

Harrison T. Meserole

Reissued in accordance with demand, this definitive anthology of colonial American poetry is made on hand in a school room edition, with annotatory American Poetry of the Seventeenth Century emendations reflecting contemporary scholarship. The ebook offers 250 American Poetry of the Seventeenth Century consultant poems fifty-nine revealed right here for the 1st time followed by means of Professor Meserole's illuminating introduction, notes, glosses, comments, and catalogue of sources. The poets represented diversity from recognized writers akin to Anne Bradstreet, Edward Taylor, and Michael Wigglesworth to personages no longer recognized basically for his or her poetry together with Cotton Mather, Governor William Bradford, Roger Williams, and Captain John Smith to the fewer well-known equivalent to schoolteacher Sarah Kemble Knight, attorney Richard Chamberlain, and previous indentured servant George Alsop. The poetry the following bargains quite a lot of expression, together with love lyrics, spiritual meditation, political satire, elegies, and private narratives."
