

Among the Mormons

EDITED BY

William Mulder & A. Russell Mortensen

A fascinating eyewitness history of the Mormon movement—from its beginnings as a curious, controversial sect to its present-day prosperity. Told through contemporary accounts, letters, newspaper columns, documents, and memoirs by the Saints themselves and by the travelers, journalists, soldiers, officials (and their wives), humorists, and sensation-seekers who followed and observed the Mormons in their great trek westward and in their later struggles and adventures in *Zion*.

Among The Mormons: Historic Accounts by Contemporary Observers

William Mulder

a desirable eyewitness heritage of the Mormon movement—from its beginnings as a curious, debatable sect to its present-day prosperity. informed via modern accounts, letters, newspaper columns, documents, and memoirs through the Saints themselves and through the travelers, journalists, soldiers, officers (and their wives), humorists, and sensation-seekers who and saw the Mormons of their nice trek westward and within the later struggles and adventures in Zion.
