

BACK TO
BOLOGNA

AN AURELIO ZEN MYSTERY

MICHAEL
DIBDIN

Back to Bologna (Aurelio Zen #10) by Michael Dibdin

Michael Dibdin

within the most recent installment in his significantly acclaimed Italian secret series, Michael Dibdin sends Aurelio Zen to Italy's culinary capital, Bologna, the place he discovers that a few instances usually are not fairly what they seem to be. whilst the corpse of the shady Bologna industrialist who owns the neighborhood soccer workforce is located either shot and stabbed with a Parmesan knife, Aurelio Zen is summoned to supervise the investigation. worried for a holiday from his girlfriend, who attributes Zen's gradual restoration from regimen surgical procedure to hypochondria, he's merely too satisfied to tackle what first seems to be an easy assignment. The case fast spins out of control, changing into entangled with the fates of a pupil semiotics, a mysterious immigrant claiming to be royalty, and Bologna's so much incompetent deepest detective. in the meantime a popular postmodern educational accuses Italy's best big name chef of being a fraud. "Back to Bologna" is dazzlingly plotted and can provide either comedian and critical insights into the realities of today's Italy.

Zwischen Aurelio Zen und seiner Gemma bahnt sich die erste Beziehungskrise an, gesundheitlich ist er auch nicht direkt auf der Höhe, und so ist er nicht allzu böse, als ihm ein aufsehenerregender Fall in Bologna übertragen wird: der supervisor des Bologneser Fußballvereins, der sich als Nicht-Einheimischer keiner besonderen Beliebtheit erfreute, ist in seinem automobile ermordet worden. Zen, der noch mit den körperlichen und psychischen Nachwehen eines chirurgischen Eingriffs zu kämpfen hat, versucht zunächst im Umfeld des Fußballclubs einen Tatverdächtigen zu finden. Gleichzeitig leidet ein begabter Semantikstudent darunter, dass Professor Ugo, die Koryphäe schlechthin auf seinem Gebiet, ihn aus den Vorlesungen geworfen hat, wird sein (nichtsnutziger) WG-Mitbewohner im Auftrag seines Vaters von einem Privatdetektiv beschattet, und der singende Fernsehkoch, der seit Monaten ganz Italien mit seiner exhibit bezaubert, ist als spotlight einer Gastronomiemesse in Bologna angekündigt - und hofft, dass keiner hinter das kleine Geheimnis kommt, das er hütet. Hier ist Dibdin wieder Back to Bologna (Aurelio Zen #10) in Hochform. Die so unterschiedlich und unabhängig erscheinenden Handlungsstränge verdrillen sich immer stärker bis zur überraschenden Auflösung, gewürzt mit den satirisch-ironischen Momenten, die ich in diesen Krimis liebe. Diesmal gibt es saftige Seitenhiebe auf das Fußballgeschäft und die Kochshow-Manie, die anscheinend auch im italienischen Fernsehen um sich greift. Zen, der inzwischen auf die sechzig zugehen dürfte, machen sein zunehmendes Alter, Back to Bologna (Aurelio Zen #10) sein Gesundheitszustand und seine angezählte Beziehung zu schaffen, er grübelt viel und gerät natürlich auch mal wieder in Schwierigkeiten bei seinen Ermittlungen. Spannende Geschichte, böser Humor - wieder mal was once für Freunde ungewöhnlicherer Krimis.
