Bad Beats and Lucky Draws: Poker Strategies, Winning Hands, and Stories from the Professional Poker Tour

Phil Hellmuth

undesirable Beats and fortunate attracts is your down-and-dirty consultant to the realm of high-stakes expert poker. Phil Hellmuth, nine-time international sequence of Poker Champion and writer of Play Poker just like the Pros, provides a blow-by-blow account of lots of poker's "clash of the titans" arms from the area sequence of Poker, the area Poker Tour, and the eu Tour. Phil offers insights into what the avid gamers have been considering and comprises his personal tackle what they (and in lots of circumstances what he) must have performed differently. hugely enjoyable and instructive, undesirable Beats and fortunate attracts supplies a seat on the desk with the easiest bluffs, reads, and over-the-top performs comparable to the hand that received Phil his record-tying 9th bracelet on the 2003 global sequence to the heartbreaking play that knocked him out of the "Big One."Bad Beats and fortunate attracts additionally contains exact contributions by means of Doyle BrunsonJohnny ChanAnnie DukeHoward LedererDaniel NegreanuTed ForrestJennifer Harman Layne Flack males Nguyen John Bonetti

you have to be suspicious of any poker e-book released in 2004 - the 12 months of pokermania. Chris Moneymaker, an accountant from Nashville, had received the realm sequence of Poker major even the former year. Moneymaker used to be greatly a regular man and his victory opened the floodgates for thousands of daily fogeys to get into the game. curiosity in poker had by no means been greater and many poker books all at once seemed on bookshop cabinets Bad Beats and Lucky Draws: Poker Strategies, Winning Hands, and Stories from the Professional Poker Tour to benefit from the craze.This book, a set of reports by means of poker character Phil Hellmuth, is lovely commonplace of the books rushed into print that yr - quite fluffy stuff designed to excite the reader with stories of wonderful hands, daring bluffs, great folds and the Bad Beats and Lucky Draws: Poker Strategies, Winning Hands, and Stories from the Professional Poker Tour main not going eventualities you could imagine. In different phrases it's a e-book designed to feed the hype. I admit i discovered it entertaining, yet i believe if a person attempted to base their kind of play from the tales they learn during this book, the outcome will be disastrous. it's been stated that to the untrained eye, poker at its maximum point seems to be much like poker at its lowest degrees and books like this make it glance less complicated than it is. the entire complicated nuances, all of the hours of commentary required to make an educated choice in poker are excluded while a hand is distilled all the way down to a web page of description. Still, somebody simply drawn to a "highlight reel" form of poker ebook will discover a few hours of leisure here.
