Balthasar at the End of Modernity by Lucy Gardner

Lucy Gardner

In an age whilst theology looks fragmented as by no means before, this quantity intends to teach how von Balthasar is likely one of the only a few modern theologians to have established how the styles and assets of the Christian culture have awesome pertinence today.. "This isn't really an expository nor exegetical precis of von Balthasar's work; rather, the authors symbolize a brand new new release of Anglican theologians sympathetic to his thought, exploring it either to be able to detect its basic dynamics and to work out the way it could Balthasar at the End of Modernity be introduced into new dialogues.

Balthasar At The End Of Modernity
