Before Antietam: The Battle for South Mountain

John Micheal Priest

Robert E. Lee divided his forces to seize Harpers Ferry, whereas carrying on with his improve into Union territory. George B. McClellan complex to assault the Confederates. The level used to be set for the Civil War's bloodiest day at Antietam Creek.

This used to be the 1st ebook of John Michael Priest that I had ever learn and that i chanced on it to be a good researched and good offered account of the 'Battle for South Mountain'. I loved it loads that I ordered his different publication Antietam: the warriors conflict once i stopped this Before Antietam: The Battle for South Mountain book. He provides the battling during the eyes of the Northern and Southern squaddies and it really is performed is such a simple demeanour that the narrative flows alongside fairly well. the one feedback i've got of the e-book itself is the normal of the maps. there's a range of of maps that help the reader to keep on with the bills of the combating yet i feel that he may have performed a greater task of their presentation. total this e-book deals the reader a good account of this forgotten battle. definitely Before Antietam: The Battle for South Mountain worth the money.
