

Beggars on Horseback

A Ride through Wales in 1894

Martin Ross and E. C.E. Somerville

An Equestrian Travel Classic

Beggars on Horseback by Edith Somerville

Edith Somerville

highly well-known of their day, the aristocratic authors of *Beggars on Horseback* penned a complete of fourteen books, together with their immortal classic, a few stories of an Irish R. M. yet few realised that Martin Ross and E. . Somerville have been truly the pen names of Violet Martin and Edith Somerville, fun-loving, hard-riding, co-writing lady Irish cousins. it is a genuine gem of a book, humorous and relocating through turns, with extraordinary illustrations. The high-spirited younger girls choose to travel North Wales on horseback. Written within the first person, the writer continues to be nameless throughout, whereas her pal is given the pseudonym omit O Flannigan. discovering appropriate horses was once their first task: even in 1894 this was once no effortless matter, in particular once they defined why they wanted them: We have been aware of social shrinkage because the paintings for which we required the *Beggars on Horseback* ponies used to be explained; a fortnight s highway paintings in Wales, with the proviso that the animals must hold packs, held a tenet of bagmen, to not say tinkers. They have been either avid horsewomen, and in the end they employed ponies who've satisfaction of position during this spell binding tale. After really good weeks riding, the unhappy day arrives after they need to half with them, and ship them again domestic via train. while the ultimate second came, they suffered with dignity the farewell endearments in their aunts It was once very unlikely to provide an explanation for to them that we discovered a few trouble in parting with them, buddies yet of a fortnight notwithstanding they were. This enchantingly humorous yet forgotten vintage has been out of print for a lot too long, and we're happy and proud to make it to be had back to a different new release of horse-lovers.

Beggars On Horseback
