

Between Two Towers: The Drawings of the School of Miami

Vincent Scully

This stylish e-book combines the paintings of the scholars and college of the college of structure on the college of Miami with a textual content by way of the school's unique traveling professor, Vincent Scully. The varsity is understood for its incredible analytical and kooky drawings of architecture, city planning, and panorama design. *Between Two Towers: The Drawings of the School of Miami* those life like drawings illustrate the normal and man-made environment, animals and objects, and plans for designing and reinventing outfitted and unbuilt cities. Miami's surrounding setting is obvious within the students' paintings -- vibrant colours echo the spirit of Coral Gables, Key West, and the Everglades. Miami's very important place because the heart of the Hispanic global is additionally evident, because the *Between Two Towers: The Drawings of the School of Miami* drawings embody the cultural richness of the Caribbean Islands, Cuba, and imperative and South the USA in either material and style. Imaginatively designed, among *Towers* encompasses a horizontal, sketchbook-like layout and gatefold pages, shooting the superb detail, complexity, and scale of the unique drawings, a few attaining ten toes in peak and length. The drawings are in various media, together with graphite, coloured pencil, and ink.

Scully's informative and fluid textual content recounts the school's unique history, files the distinct instructing presence of such professors as Elizabeth Plater Zyberk and Andres Duany, and completely explains every one illustration.
