Bioethics and the Future of Medicine: A Christian Appraisal

Nigel M. de S. Cameron

The broad recognition dedicated to abortion has led Christians for too lengthy to miss a lot of the exploding bioethics agenda. Moreover, to concentration simply on 'issues' is to fail to handle the profound alterations happening within the very nature of the clinical profession. This booklet signs the dedication of the guts for Bioethics and Human Dignity to aid extend the church's bioethical imaginative and prescient and to foster a extra immense Christian contribution to the general public debate.
