## Black Cocktail by Jonathan Carroll

Jonathan Carroll

extra like a novella, this paintings follows Ingram York who has a friend, Michael Billa. Michael is this sort of buddy whose humorous stories and grace can pull you out of the bottom depths and make existence sturdy as soon as more. alongside comes Clinton Deix, a pal of Michael's, who tells Ingram that the majority of these tales are lies. it's not lengthy ahead of Ingram does not recognize who to believe, and what such a lot confuses and upsets him is Black Cocktail that either say they're old style chums. yet Michael is in his past due thirties whereas Clinton remains to be fifteen...

Jonathan Carroll è uno scrittore bizzarro, o meglio le sue storie sono bizzarre. Tra cani Black Cocktail parlanti, amici immaginari che si presentano dopo anni alla porta di casa, padri defunti che tornano consistent with salvare i figli, anime gemelle il cui numero perfetto è cinque, come le dita di una mano; fantasmi, ossessioni, follie e una sarabanda di personaggi degni di un circo, Carroll sta tracciando l. a. sua personale mitologia narrativa, fuori da ogni incasellamento. Qualcuno, e tra questi qualcuno ci sono Neil Gaiman, Stephen King e James Black Cocktail Ellroy, pensano sia geniale. Altri, pensano semplicemente sia un narratore con molta, moltissima, fantasia (a partire dai titoli dei suoi romanzi), con un certo gusto according to il noir e in keeping with l'horror e un vago spessore metafisico. Lo ho incontrato. Fazi ha appena dato alle stampe Black Cocktail Black Cocktail (pp. 93, euro 13,50), un romanzo breve del '90. Potresti fare il mio lavoro e scriverne una recensione? Il narratore di Black Cocktail, Ingram York, è affascinato dalle storie che racconta Michael Billa, il suo amante buontempone. Billa racconta a Ingram molte storie sul suo pericoloso migliore amico delle superiori, Clinton Deix, il ragazzo più arrabbiato e minaccioso della scuola. Il problema è che Clinton Deix è riapparso Black Cocktail nella vita del quarantenne Billa, ma ha ancora quindici anni e "ha delle cose da fare" according to le quali gli serve l'aiuto del suo vecchio amico, cose che porteranno a sconvolgere le vite di tutte le persone coinvolte nella vicenda. Non rileggo mai i miei lavori comunque e quindi non potrei darne un giudizio critico. L'unica volta che ho riletto uno dei miei libri è stato negli anni '90, a Hollywood, quando mi chiesero di lavorare alla stesura del soggetto di un movie tratto da L'Assenza. Rileggendo quel romanzo, anni dopo averlo scritto, avrei voluto cambiare o editare alcune cose, anche se nonostante tutto devo dire che andava bene. Il romanzo mette in scena il tema della complementarità tra persone, della felicità, dell'aura che può scaturire dall'incontro tra anime gemelle, eppure il finale è amaro. Molti pensano che prima o poi si possa incontrare los angeles personality in grado di completarci, come ipotizzato da Platone, e in seguito a questo incontro trovare l. a. felicità. Ma l. a. premessa di Black Cocktail è che non è detto che los angeles completezza sia esattamente come ce l. a. si aspetti o come los angeles si desideri. Come cube l'adagio: "stai attento a ciò che vuoi perché potresti ottenerlo". In molti ascrivono i tuoi libri al genere fantastico... Penso che i critici definiscano il mio lavoro come fantastico perché a loro piace infilare le cose in scatole comode (per loro). Se c'è un detective in una storia allora deve essere un giallo. Se c'è un fantasma, allora sarà horror. In tutti i miei libri uso diversi topos letterari. Un po' di romanticismo, un po' di psicologismo, ma questo non significa che io scriva storie romantiche o psicologiche eccetera. Quando mi domandano che tipo di storie racconti, rispondo sempre:

---

“insalate miste”. Quando fai un’insalata mista, usi diversi ingredienti, pomodori, cipolle, capperi, lattuga... Li mescoli un po’, versi il condimento et voilà ecco l’insalata mista. Io mi limito a usare i topos letterari al posto della lattuga nelle mie insalate. Black Cocktail parte come un noir in step with poi virare verso il surreale, il magico e il metafisico... Esatto. È questo che intendo quando dico che scrivo insalate miste. Mi piacciono i piatti con molti ingredienti. Non scrivo hamburger. Vivi a Vienna da molto tempo... Molti dei miei romanzi sono ambientati Black Cocktail a Vienna come snoozing in flame, Voice of our shadow e Gli artigli degli angeli... è diverso scrivere un romanzo americano da uno europeo? In molti mi chiedono se c’è differenza tra un romanzo americano e un romanzo europeo. Penso piuttosto che siano i lettori a fare la differenza. Quelli europei sono più aperti e apprezzano diversi generi senza problemi. Gli americani amano particolarmente incasellare i libri, l. a. musica, l. a. pittura. Gli europei sono molto più liberi e trasgressivi. in line with esempio non so se Federico Fellini avrebbe potuto avere successo in Usa, cominciando come ha cominciato. Los Angeles sua opera period fuori dagli schemi, dalla scatola, e questa è una cosa che Los Angeles sensibilità americana non riesce a comprendere. Un movie come Los Angeles strada è un racconto fantastico, una fairy tale, ma anche una storia d’amore; ha risvolti sociali e una morale da fiaba ecc. Quando venne filmato, negli Stati Uniti quel tipo di pellicola period una cosa inaudita. Il movie e Fellini stesso erano davvero trasgressivi e solo anni più tardi il pubblico americano cominciò a capire l. a. sua grandezza. Lo stesso vale according to i libri. Ambienteresti un romanzo in Italia? L’Italia è probabilmente il mio paese preferito. Mi piacerebbe viverci, ma avrei bisogno di un benefattore generoso che mi dica: good day eccoti un bel appartamento a Siena, Lucca o Roma, un po’ di soldi in banca, e tutto il pace che vuoi in line with andartene a spasso a trovare un’idea brillante consistent with il prossimo romanzo. Magari anche solo in line with il pace di scriverlo. Un bel sogno. Nel frattempo vengo in Italia ogni volta che posso, due volte l’anno se sono fortunato, anche solo according to perdermi, quasi in coma estatico, a guardare l’andirivieni, giorno e notte. Cosa hai letto ultimamente che ti ha colpito particolarmente? Shantaram di Gregory Roberts, mild years di James Salter, Il quinto incomodo di Robertson Davies, the area I made for her di Thomas Moran. Hai mai letto narrativa italiana? Molta. Pirandello, Quasimodo, Pavese, Elsa Morante, Eco, Fo, Dino Buzzati... e Los Angeles lista potrebbe allungarsi. Hai mai pensato di pubblicare in copyleft? No. <http://kaizenology.wordpress.com>
