## Blacksad 2. Arctic-nation (Blacksad #2)

Juan Díaz Canales

los angeles esperada segunda parte de las historias del detective John Blacksad, un felino muy specific que en ARCTIC state deberá enfrentarse al racismo y los angeles violencia de una pequeña ciudad. Puro género negro de muchos quilates.

Si le most popular tome a été un franc succès.... Le moment tome fut pour moi un véritable coup de coeur. Je ne saurais dire s'il s'agit du personnage Blacksad 2. Arctic-nation (Blacksad #2) de plus en plus attachant, ou du thème encore plus plaisant, mais je n'ai pu me détacher une seconde de cette Bande Dessinée. On retrouve évidemment Blacksad, le fameux chat noir détective en pleine enquête chargé de retrouver une petite enfant noire kidnappée. Seulement voilà, le contexte est bel et bien difficile : une discrimination infâme, et je pèse mes mots, règne dans cette région. Le culte de l. a. race blanche, le culte de l. a. perfection élevée par de nouveaux orateurs, dont l'un d'eux se prétend half de l. a. justice ! Blacksad se retrouve donc au cœur de discriminations raciales dues à sa couleur de peau, mais également liées étroitement à son enquête. Je suis une grande amatrice de cette période, si difficile soit-elle, mais il faut savoir que le sujet de l. a. seconde guerre mondiale m'a toujours passionnée, et horrifiée à l. a. fois. Et il est intégral de préciser les allusions à celle-ci faites par les auteurs de ce moment tome. Comme sur los angeles planche ci-contre, par exemple. Un orateur blanc qui services l. a. perfection devant un public, avec détermination, pointant du doigt, on retrouve ici les discours nazis d'Hitler. De plus, le flocon au blanc au centre de ce symbole noir, au milieu de ce rouge si évocateur... remark ne pas Blacksad 2. Arctic-nation (Blacksad #2) penser immédiatement à l. a. croix gammée ? C'est dans un contexte impolite et divisé que l'on retrouve donc Blacksad, cette fois, mais c'est également ce contexte qui va rendre l'action on ne peut plus trépidante, et qui renforce mon estime et reconnaitre pour les auteurs qui s'attribuent une partie de l'histoire et l. a. restituent, à valeur même de morale. automobile jamais il ne faut oublier le passé. Une selected ironique que j'ai pu remarquer au travers du livre et qui m'a également plu : les torts des animaux évoqués. En effet, à los angeles manière d'Orwell, cet anthropomorphisme ne fait que représenter Blacksad 2. Arctic-nation (Blacksad #2) l'homme sur Terre. Dans Blacksad, on retrouve donc le langage vulgaire que les Hommes adoptent parfois, mais aussi leurs défauts : égoïsme, jalousie, idéologie, culpabilité, Blacksad 2. Arctic-nation (Blacksad #2) et luxure. Les vengeances sont au coeur de l'intrigue ainsi que les histoires de famille. Encore une fois, l'enquête est passionnante, elle n'ennuie pas, à aucun moment, et est parfaitement créée : les personnages sont liés entre eux de manière compréhensible, et le dénouement nous laisse sans voix. Que peut on imaginer pour l. a. suite ? remark les auteurs vont-ils encore nous surprendre ? Ce deuxième tome est si plaisant et si bien réaliser que j'ai du mal Blacksad 2. Arctic-nation (Blacksad #2) à m'imaginer mieux. Car il faut le reconnaître : les personnages sont toujours aussi attachants, avec l'apparition d'un nouveau personnage que j'espère retrouver plus tard : Weekly. L'ironie est également présente, ce qui renforce le caractère particulier de los angeles Bande Dessinée : ce mélange d'action, d'enquête, d'humour. Les couleurs sont encore une fois époustouflantes et il n'y a rien à ajouter. Sinon qu'il va me falloir lire le troisième tome de ce pas, et qu'une selected seulement peut m'amener à râler ici : Les soixante petites pages. Un livre trop court docket ! Il me faut donc l'avouer : ce livre est un véritable coup de

---

coeur. Et avant de me lancer et de poursuivre ma lecture des tomes suivants, je ne peux que vous le conseiller une nouvelle fois. Blacksad est une Bande Dessinée non humoristique, qui switch Blacksad 2. Arctic-nation (Blacksad #2) de l'ordinaire, mais si particulièrement bien écrite et parfaitement équilibrée, qu'elle en est toute aussi délicieuse. Comme quoi, une Bande Dessinée n'est pas obligée de nous tirer des larmes de rire pour nous plaire !
