principles AT paintings and residential are of paramount importance. Nigel Bullstone, however, has no admire for parameters of any kind. in the back of exemplary behaviour and pressed suits, he enjoys a wildly various lifestyles in his head. This deception is uncovered through chance, and his furious father books him right into a hard-line motivational direction to straighten him out. His trip to absolution is waylaid while his motor vehicle and his nerves holiday down en-route. A stranger known as Winston rescues him from the roadside; in a mutinous country he accepts a dodgy invitation to move tenting in lieu of obeying orders, after which learns that Winston's brazenly opposed friend, Ramon, is to hitch them. under pressure out, his unfettered ideas run amok. He reveals himself poised at the fringe of insanity and the top Bungi bounce on Earth; the stupefying bounce into nothingness produces a weird and wonderful entity that says to be his regulate Ego and private Counsel. And it isn't alone. Ramon has received one, and Winston has had one all along. Nigel's existence takes on a brand new perspective.
