Canterbury: History You Can See by Marjorie Lyle

Marjorie Lyle

an afternoon journey to Canterbury is usually overwhelming as a result of huge variety of websites to visit. nice structures like cathedrals can dwarf their friends and smother the reminiscence in their quite a few builders, whereas urban walls, 17 centuries old, cover the adjustments which altered them. but each development which has survived war, slump, plague, and altering model has been tailored to new uses. This precise heritage of Canterbury is instructed via its constructions from its Roman origins to the current day and Canterbury: History You Can See contains sections on St Martin's church, St Augustine's abbey, the Cathedral, the Pilgrim inns, Royal citadel buildings, Georgian timber-framed houses, the Blitz, purchasing malls, and universities. The reader is brought to the builders, traders, craftsmen, and saints and sinners who Canterbury: History You Can See created Canterbury in the course of its lengthy historical past and tells many awesome tales in regards to the humans in the back of the building.
