Capitano Ulisse by Alberto Savinio

Alberto Savinio

Composto di un «dramma» (Capitano Ulisse) e di un saggio (La verità sull'ultimo viaggio), questo libro ci offre una visione del mito di Ulisse Capitano Ulisse riflessa nel prisma dell'intelligenza di Savinio. Ulisse è in keeping with lui personaggio congeniale e familiare – e anche il pretesto in step with alludere a se stesso, uomo «incompreso» in step with «eccesso di futilità». Troviamo molta provocazione in questi testi, a tratti una strepitosa comicità e, camuffati nella finzione mitica e scenica, molti segreti di Savinio, buttati a piene mani, come con los angeles convinzione di non essere capito. Di fatto, Capitano Ulisse ha avuto sino a oggi una storia difficile e accidentata. Scritto nel 1925 in line with l'effimero Teatro d'Arte di Pirandello, venne rappresentato in keeping with los angeles prima volta solo nel 1938, in clima ostile. Capitano Ulisse Da allora, fino a oggi, l'oblio. Eppure Savinio rivendicava l'importanza della sua impresa, argomentava con vigore beffardo l. a. necessità di sottoporre Ulisse a «quell'apparecchio di apparenza frivola e di pessima riputazione» che è il teatro, qui ribattezzato «Avventura Colorata». Oggi possiamo ben capire perché: dentro los angeles cornice pirandelliana della pièce riconosciamo in quest'opera il Savinio più acrobatico, penetrante, il suo irresistibile talento according to il grottesco borghese e, nel pace stesso, los angeles sua capacità di percepire le determine mitiche senza diminuirle.
