Carrie Esta a la Altura = Carrie Measures Up

Linda Williams Aber

Carrie's Grandma is often knitting shock provides for the family. while she asks Carrie to be her "measuring girl," Carrie makes a decision to knit grandma the largest (and longest!) shock of all!"

"Carrie Measures Up" is an attractive e-book to coach scholars approximately measuring! The publication is set a bit lady named Carrie Esta a la Altura = Carrie Measures Up Carrie who is grandmother involves stopover at her. Carrie is attracted to find out how to knit and that's what her grandma is familiar with the way to do. Her grandmother tells Carrie that she's going to be her measuring assistant. consists of used to be Carrie Esta a la Altura = Carrie Measures Up in control of measuring up issues round the apartment in order that grandma may knit issues for Carrie and her family. After measuring such things as her child brother for tiny child mittens, Carrie's grandmother thinks that she is now able to how you can knit. After studying the way to knit, incorporates measures her grandma and knits a massive shawl for her. This ebook is helping scholars comprehend the concept that of dimension via displaying real-world ways that to measure. For example, while measuring her dad's feet, includes says that his ft are eleven and part inches, which means his toes are one-half inch under a foot. i may use this booklet to do a dimension task through having the scholars degree their very own palms or ft and evaluating the measurements with different classmates.
