

Casey Jones by Allan Drummond

Allan Drummond

hearken to the tale of the railroad's maximum hero! "Now all of this happened" "a hundred years ago" "but it is a tale that everyone" "ought to know" "cause the railroad again then" "was the mightiest thing" "and the loco engineer" "was the Iron Horse King! " With action-packed, intricately designated images and textual content that whistles off the page, this is the story of the Casey Jones locomotive engineer John Luther "Casey" Jones, who died at Casey Jones his submit with one hand at the whistle and the opposite at the air-brake lever -- a hero to the end. Drummond paints a full of life photograph of railroading in its heyday as he tells the tale of an American legend.

in accordance with a real tale a few well-known railroad engineer, Casey Jones, who gave his existence to avoid wasting the entire passengers on his train. it's in rhyme and even though it is sort of wordy, you will learn and my son requested me to learn it to him over and over (very infrequent i would add). plenty of fascinating evidence and pof direction boys love trains! i used

to be shocked how a lot Matthew loved Casey Jones the knowledge that was once most likely past him. perhaps it wasn't past him after all.

Casey Jones
