Jean-Claude Izzo

"A proficient French author who attracts from the deep darkish good of noir."-The Washington publish Chourmo Chourmo (La trilogie Fabio Montale #2) . . . the rowers in a galley. In Marseilles, you were not simply from one neighborhood, one project. You have been chourmo. within the similar galley, rowing! attempting to get out. Together. In this moment installment of Jean-Claude Izzo's mythical Marseilles Trilogy-which contains overall Chaos, Chourmo, and Solea-Fabio Montale has left a police strength riddled with corruption, racism, and greed to stick to the traditional rhythms of his local town: the sea, fishing, the neighborhood bar, hotly contested video games of belote. yet his cousin's son has long gone missing, and Montale is dragged again onto the suggest streets of a violent, crime-infested Marseilles.

Tutte le sfumature del blu, fino al nero. È già da qualche giorno che ho finito di leggere l. a. Trilogia, ma preferisco continuare da qui, dal secondo capitolo, piuttosto che riunire i tre romanzi in un commento unico. Certo, mi piacerebbe sapere Chourmo (La trilogie Fabio Montale #2) con certezza come è stata pensata, se già c'era in partenza un'idea di trama generale che racchiudesse tutte e tre le storie, una struttura che ne regolasse lo svolgimento, o se invece Izzo sia andato avanti di capitolo in capitolo senza lasciarsi incastrare da scelte preordinate, decidendo di seguire semplicemente il suo istinto. E certo è che, sia che si decida di leggerli separatamente - ma insomma sono solo tre, perché mai? -, che nel loro insieme e considerarli un unico romanzo, questa è a mio parere la parte più bella, il capitolo in cui tutti gli elementi concorrono all'equilibrio della storia senza che niente o nessuno riesca a prevaricare sul resto. Marsiglia continua ad attrarre come una sirena, è sfondo elementare scenico e protagonista allo stesso tempo, niente potrebbe essere se l. a. storia di Fabio Montale non si svolgesse a Marsiglia; le sue strade, il suo porto, i suoi tramonti concorrono pagina dopo pagina a creare pathos, malinconia, angoscia, passione pura, così come il caso di natura personale dentro il quale l'ormai ex poliziotto Fabio Montale si trova catapultato sin dalle Chourmo (La trilogie Fabio Montale #2) leading pagine: l. a. ricerca del sedicenne Guitou. «Dal cielo al mare, period un'infinita varietà di blu. consistent with il turista, quello che viene dal nord, dall'est o dall'ovest, il blu è sempre blu. Solo dopo, quando ci si sofferma a guardare il cielo e il mare, advert accarezzare con gli occhi il paesaggio, se ne scoprono altre tonalità: il blu grigio, il blu notte e il blu mare, il blu scuro, il blu lavanda. O il blu melanzana, nelle sere di temporale. Il blu verde. Il blu rame del tramonto, prima del mistral. O quel blu così pallido, quasi bianco.» Ma, com'era già avvenuto in on line casino Totale, il punto di partenza è solo Chourmo (La trilogie Fabio Montale #2) il più piccolo degli ingranaggi, una strana storia di scatole cinesi in cui ci si accorge di essere passati dalla scatola più piccola alla scatola più grande quasi senza averne avuto, in precedenza, la percezione. E così dall'indagine in line with los angeles scomparsa di un adolescente, ingenuo e innamorato, al misterioso omicidio di un assistente sociale, ex sacerdote e forse pedofilo, al coinvolgimento delle frange estremiste islamiche che si annidano nel tessuto sociale della città e che minacciano dall'interno l. a. stabilità delle cités coinvolgendole in una guerra che nessuno comprende, il passo è breve. «Se hai cuore non puoi perdere niente, dovunque vai» Non c'è niente, nelle cités di Izzo, della poesia e dell'armonia della banlieue di Pennac, di quella Belleville parigina dove arabi ebrei e italiani convivono

aiutandosi gli uni gli altri, perché queste cités assomigliano più a delle polveriere, a dei non luoghi dove tutto è pronto a esplodere da un momento all'altro, dove nessuno ha faccia o colore se non quello dei grigi casermoni in cui vive. «Fino a quando non si riuscirà a sbrogliare il filo bianco dal filo nero» Eppure, in mezzo a tutto questo, in queste pagine, c'è colore, c'è Chourmo (La trilogie Fabio Montale #2) poesia, Chourmo (La trilogie Fabio Montale #2) c'è struggimento, c'è dolore. Ci sono suoni, c'è musica, c'è passione, c'è vita. «Con lo stomaco contratto dal dolore, mi misi a singhiozzare piano. Ecco, pensai, le cose finiscono sempre così. in keeping with mancanza di equilibrio. Perché così sono iniziate» E c'è amore, quello di Montale in keeping with le tante donne che hanno lasciato un segno nella sua vita, quello passionale di Guitou in line with Naima, quello materno di Gelou in step with I. a. sua creatura, ma anche odio che distrugge, e lacrime, e morte. «Sei un tipo strano, Montale. Mi fai pensare a una clessidra. Quando los angeles sabbia è scesa, c'è sempre qualcuno che viene a girarla» E chourmo non è proprio come los angeles sabbia di quella clessidra, dove tutto si mischia? E quella clessidra è il cuore di Marsiglia. «Lo scopo period che I. a. gente si incontrasse. Si 'immischiasse' come si cube a Marsiglia. Degli affari degli altri e viceversa. Esisteva uno spirito 'chourmo'. Non eri di un quartiere o di una 'cité'. Eri 'chourmo'. Nella stessa galera, a remare! in step with uscirne fuori. Insieme»
