Christendom at the Crossroads: The Medieval Era

James Sheppard

In "Christendom on the Crossroads," the introductory publication within the Westminster background of Christian notion series, J. A. Sheppard explores the improvement of Christian theology within the medieval period. Expertly prime readers in the course of the significant theological controversies and problems with the era, Sheppard highlights why these specific questions have been so vital for Christian believers at that time. Designed quite for undergraduate classes in theology and religion, the Westminster historical past of Christian proposal sequence deals trustworthy and obtainable introductions to Christian inspiration for every significant interval in Christian history--the early church, Christendom at the Crossroads: The Medieval Era the medieval era, the Reformation, the trendy age, and the modern period--and Christendom at the Crossroads: The Medieval Era concludes with a quantity on American non secular thought.

Christendom At The Crossroads The Medieval Era
