Citizen Teacher: The Life and Leadership of Margaret Haley and Leadership of Margaret Haley

Kate Rousmaniere

Citizen instructor is the 1st book-length biography of Margaret Haley (1861-1939), the founding father of the 1st American lecturers union, and a dynamic leader, civic activist, and faculty reformer. The daughter of Irish immigrants, this Chicago common university instructor exploded onto the nationwide degree in 1900, major girls academics right into a nationwide conflict to safe assets for public faculties and improve academics specialist stature. This booklet facilities on Haley's political vision, actions as a public college activist, and her existence as a charismatic leader. Within the greater than 40 years of her political life, Haley used to be continuously within the news, butting heads with captains of industry, difficult autocracy in city paperwork and faculty structures alike, arguing felony doctrine and tax reform in country courts, and urging her materials into action. A unprecedented determine in American history, Haley's contemporaries praised her as one of many country's nice orators and known as her the Joan of Arc of the study room instructor movement. Haley's trust that well-funded, well-respected lecturers have been Citizen Teacher: The Life and Leadership of Margaret Haley the foremost to the improvement of a good civic neighborhood continues to be a imperative guideline in American education. Her guiding imaginative and prescient of the democratic function of the general public institution and the accountability of lecturers as activist voters is appropriate and inspirational for educators today."
