Claude Debussy

Claude Debussy's *Première Rhapsodie pour Clarinette* and his *Rapsodie pour Saxophone* have been initially composed as chamber works with piano; later, they have been prepared by means of the composer as works for complete orchestra. This quantity contains either works with piano accompaniment and in complete score. Debussy's *Première Rhapsodie pour Clarinette* is the instrument's first actually vital twentieth-century work. Just like the *Rapsodie pour Saxophone*, it deals revealing insights into the composer's feel of orchestration. The piano types of either works, stripped to their essentials, supply fascinating glimpses into Debussy's harmonic mind. Both items are staples of the repertoire for his or her respective Clarinet and Saxophone Rhapsodies: The Piano and Orchestral Versions in One Volume instruments, and this re-creation is the single one to be had that incorporates either chamber and orchestral types of those well known works.
