Come Again (Jack & Amy #2) by Josie Lloyd

Josie Lloyd

Come jointly was once the 1st romantic comedy instructed in voices. Now, in Come Again, Josie Lloyd and Emlyn Rees positioned friendship less than the highlight as 4 very varied characters are thrust jointly for the marriage in Come Again (Jack & Amy #2) their mutual friends. Friends. you cannot reside with Come Again (Jack & Amy #2) them - you cannot reside with out them. Or so MATT is discovering. His ally is getting married, leaving him excessive and dry. No flat-mate - and no girlfriend. Then he recollects HELEN (H to her friends). H has no existence outdoors her extraordinary profession - and all her top friend, Amy desires to speak about is her wedding. Which fits STRINGER, simply because catering the marriage is his first genuine probability to turn out himself. the very last thing he wishes is to fall for one of many bride's friends, SUSIE, really simply because she's sworn off males whereas she types out her life--Friendship, commitment, work, lust and loyalty all come lower than the highlight as Matt, H, Stringer and Susie Come Again (Jack & Amy #2) relate - of their personal voices - occasions within the run-up to the massive day.

Todavía Come Again (Jack & Amy #2) no encuentro un sentido a este libro. Cuando supe que habría más de Jack y Amy, me emocioné mucho, pero Come Again (Jack & Amy #2) después, al leer este libro, salí completamente desilusionada. No solo no period una continuación de esa pareja, de su historia de amor, sino que period los angeles historia de amor y desamor de otras dos parejas de amigos. Las dos historias principales acabaron muy mal, con Come Again (Jack & Amy #2) todos los implicados rotos y solos, así que, aún menos le vi Come Again (Jack & Amy #2) el sentido a este libro. Y Jack Come Again (Jack & Amy #2) y Amy solo aparecían para hablar de su boda. ¿Hola? Jack y Amy tenían muchas cosas que arreglar, y nada, todo entre ellos se arregló un estúpido y apresurado ultimate en el libro anterior y en este no hubo nada de ambos. Jack fue violado al ultimate del libro anterior, y Josie lo enfocó como si Jack hubiera sido infiel, es más, Jack y Amy rompieron por ello... y en dos minutos, volvieron a verse en los angeles discoteca, y se dijeron "vamos a casarnos", y aquí están. Pero no hay nada de los dos. Y mirando los angeles blogosfera... me encuentro con que hay una tercera parte, una de siete años después, donde ya si los angeles historia vuelve a centrarse en ellos, pero como los angeles sinopsis apunta, allí ya no se aman →. ¿Hola? ¿Vamos a joder aún más al lector? Son cosas que no puedo comprender →
