Complete Songs without Words for Piano

Felix Mendelssohn

Mendelssohn's Lieder Ohne Worte, or "Songs without Words for Piano," Complete Songs without Words for Piano is without doubt one of the most loved, so much performed collections within the Romantic piano repertoire. Reproduced from the authoritative Breitkopf & Härtel edition, this quantity includes all of those renowned compositions — greater than forty pieces, together with such favorites as Spinning Song, Spring Song, and Venetian Gondola Song. Composed at a variety of issues all through his life, Mendelssohn compiled this selection of brief works for the novice pianist searching for excessive quality, but not-to-difficult music. Nonetheless practiced and played today, "Songs with no Words" is frequently thought of to be Mendelssohn's maximum legacy as a composer. For research or play, this paintings represents and admirable addition to any tune library.
