Con la morte nel cuore (Ispettore Michele Ferraro #2)

Gianni Biondillo

Chi ha sparato all'ispettore capo Lanza del commissariato di 4to Oggiaro? L'ispettore Michele Ferraro è alle prese con uno dei più difficili casi che gli siano mai capitati. Perché, in quella periferia milanese dove tutti si conoscono e dove è quasi impossibile distinguere gli innocenti dai colpevoli, sta succedendo qualcosa di grosso. Cosa c'è dietro? Che parte ha il Baffo, un sognatore finito a fare il barbone? E che strani intrecci si sono formati tra le mafie pugliesi, calabresi e slave? Ferraro indaga, facendo quotidianamente i conti con i suoi malumori, con l'ennesimo tentativo di prendere una laurea, e con il popolo minuto di una città raccontata con durezza sarcastica e simpatia contagiosa.

2.5/5 Una indagine difficile che coinvolge Lanza inizia proprio mentre l'ispettore Ferraro decide di riprendere gli studi: dovrà quindi organizzare una indagine parallela in keeping with aiutare l'amico. Questo secondo libro con protagonista Michele Ferraro è strutturalmente diverso dal precedente (in cui in Con la morte nel cuore (Ispettore Michele Ferraro #2) line with ogni stagione si seguiva un caso del poliziotto) presentando una trama continua; l'indagine è interessante (anche se alcuni aspetti possono essere intuiti), purtroppo alcune parti del romanzo risultano vagamente prolisse (soprattutto le morali su società e comportamenti) e fanno perdere ritmo al racconto.
