Rafik Schami

as soon as upon a time there has been a bit crow who used to be no longer content material simply to take a seat in his nest all day just like the different little crows. sooner or later he taught himself to face on his beak--much to the contempt of the older crows. The little crow's skill to face on his beak got here in handy, however, while he met the king of bird's, the gorgeous yet smug peacock. complete color.
