# De baas van alles by Bart Moeyaert

Bart Moeyaert

Het idee om een boek uit te geven dat in het donker gelezen kon worden kwam van illustratrice Lies Verheyen en uitgeverij Manteau. Bart Moeyaert vond het geen goed idee om het bij de gimmick alleen te houden. Hij besloot de nachtelijke zoektochten van een eigenwijze kat te beschrijven. Door een hond wordt ze aangezet om na te denken over 'de baas van alles'. Zelf is ze ervan overtuigd dat zij de baas is, maar de échte baas van alles is natuurlijk het licht (en het licht is nodig om de fluorescerende inkt op te laden, zodat het boek in het donker oplicht).

Die Bilder sind awesome, aber die Geschichte fand ich halt bestenfalls nervig oO
