# De wetten by Connie Palmen

Connie Palmen

Het verhaal gaat over de studente Maria, die in zeven jaar tijd De wetten met zeven verschillende mannen omgaat om bij rooster over het leven te leren. De wetten Ze hoopt bij chicken de antwoorden op haar vragen te vinden. Ze heeft altijd gedacht dat de wetten en regels van het leven door mannen bedacht zijn. Ze wil hier nu meer over weten. Ze komt tot de conclusie dat deze mannen wel veel van de wereld weten, maar weinig over zichzelf. Met deze kennis van de wereld proberen ook zij alleen maar het hoofd boven water te houden. Dit realiseren zij zich niet.

‘Een lezer is weerloos’ Connie Palmen. Wie kent haar niet? Ik dus, ik ken haar niet. Dus een beeld bij de schrijfster had ik niet. Misschien heeft dat in mijn voordeel gewerkt, wie weet. De Wetten vond ik in elk geval fascinerend om te lezen. Ik had geen verwachtingen, kon weinig opmaken uit de disguise en een achterflaptekst used to be er niet. Dus ik begon maar gewoon. Ik vind dat Connie Palmen een fijne schrijfstijl heeft. Vlot, maar niet oppervlakkig. Het is in dit boek alsof je in de gedachten van de hoofdpersoon zit, dat vind ik leuk. Dit boek gaat ook over het studentenleven maar echter, minder verheerlijkend (nostalgisch) en minder puberaal dan Niemand in de Stad van Philip Huff. Het is alsof er nu meer afstand zit tussen de hoofdpersoon en het verhaal, alsof er meer tijd zit tussen de vertelling en de daadwerkelijke gebeurtenis. Het verhaal wordt op een volwassener manier verteld dan het studentenverhaal van Philip Huff en het studentenleven zelf is hierin ook niet het zwaartepunt maar meer een bijzaak, eens soort tijdsaanduiding. Ik vind het moeilijk om over De wetten een duidelijk oordeel te vormen. Ik heb me in ieder geval wel vermaakt tijdens het lezen, dus dat is positief. De hoofdpersoon is wel heel erg aanwezig en is niet altijd even aardig, maar aan een gematigde hoofdpersoon heb je ook niets. Ik vond het leuk om in de gedachten van de hoofdpersoon te zitten, om daardoor eens als een ander te denken. Ik vind het mooi ook, dat dat kan, dat een schrijver dat met een lezer kan doen. Ik vond in ‘De Astroloog’ dat geouwehoer over de Saturnus in het Huis van de sterren of weet ik het wat wel een beetje vervreemdend, maar het stoorde me niet. Die tekening De wetten erbij met driehoeken en vierkantjes en omgekeerde manen vond ik hilarisch. Het maakt het verhaal echt, zoiets, alsof iemand je dit vertelt en dan ook het briefje laat zien dat de guy haar gaf. Dat is denk ik wel de kracht van De Wetten, dat het een is alsof iemand je dit vertelt. De lezer wordt goed bij de hand genomen door een bepaalde De wetten situatie en ervaring, krijgt de juiste indrukken en gevoelens tot zich om een kloppend beeld te vormen. Het boek is één en al mening, één en al levensechte ervaringen; het zijn puur en alleen de gedachten van de hoofdpersoon. En ik vind ze mooi. De ervaringen zijn klein, ze gaan steeds over een ontmoeting met één persoon en telkens leer je daarin het karakter van de hoofdpersoon ook steeds beter kennen. Dat deze roman haar debuut is vind ik De wetten interessant. En dan vooral dat het een debuut is uit mijn geboortjaar. Het boek is dus eenentwintig jaar oud. Dat is wel een beetje te merken, maar ook weer niet heel erg. Dat maakt het een tijdloze roman, een boek dat na twintig jaar nog mooi en interessant is, een boek dat ook na twintig jaar ook nog een context heeft.

## De Wetten
