Der Archipel GULAG 1 (The Gulag Archipelago 1918-1956 #1-2)

Aleksandr Solzhenitsyn

Alexander Solzhenitsyn verbrachte viele Jahre seines Lebens in den Straflagern Sibiriens. Der Archipel GULAG 1 (The Gulag Archipelago 1918-1956 #1-2) und in der Verbannung. Gestützt auf seine eigenen Erfahrungen und die Berichte von über zwei hundert Überlebenden hat er zwischen 1958 und 1967 ein aufrüttelndes Epos geschaffen, das die "unmenschliche Macht von Menschen über Menschen" bezeugt: Der Archipel Gulag. Das Buch besteht aus drei Bänden. Im ersten Band steht die geschichtliche Entwicklung des Systems im Mittelpunkt. Band 2 schildert die Lagerwelt aus der Sicht der verschiedenen Gruppen, die sie bevölkerten und beschreibt den Weg der Häftlinge von der Einlieferung bis zum Tode durch Erschöpfung, Krankheiten oder den Sadismus der Bewacher. Mit dem dritten Band ist das Werk abgeschlossen. Er handelt von der Bestrafung politischer Häftlinge unter dem zaristischen und dem bolschewistischen System, schildert die Massenvertreibung ganzer Klassen, die Zwangsumsiedlung ganzer Völker und gibt einen Ausblick auf die Zeit nach Stalin. Solzhenitsyn nennt den Archipel Gulag den "Versuch einer künstlerischen Bewältigung", "all jenen gewidmet, die nicht genug Leben hatten, um dies zu erzählen". Das Buch ist ein Aufschrei, eine Anklage gegen die Unmenschlichkeit, gegen die Unfreiheit und gegen den Terror. Solzhenitsyn hat das sowjetische Lagersystem weltweit bekanntgemacht, er hat die Öffentlichkeit aufrüttelt und er hat das Sowjetunionbild des Westens maßgeblich geprägt. Es mag inzwischen wissenschaftlich fundiertere Arbeiten über den Gulag geben, an der herausragenden Bedeutung von Solzhenitsyns Werk ändert das nichts. Mögen die Lager auch verschwunden sein, Solzhenitsyns Botschaft ist heute noch so aktuell wie vor dreißig Jahren: "Es wurde mir nach und nach klar, daß die Grenze zwischen Gut und Böse nicht zwischen Staaten, Klassen oder Parteien verläuft, sondern quer durch das Herz des Menschen. Es ist unmöglich, das Böse ganz aus der Welt zu schaffen, aber es ist möglich, es aus dem Innern des einzelnen Menschen zu vertreiben." --Stephan Fingerle
