# Dewberry and the Lost Chest of Paragon (The Fairy Chronicles #11)

J.H. Sweet

Dewberry's fairy spirit is one among nice wisdom and wisdom. Unfortunately, knowledge takes longer to procure than knowledge! In her consistent quest to acquire ever extra knowledge, Dewberry uncovers the Legend of Paragon, an historic ruler, and his 3 marshals-Exemplar, Criterion, and Apotheosis. Dewberry enlists assistance from her friends, Primrose and Snapdragon, in looking Dewberry and the Lost Chest of Paragon (The Fairy Chronicles #11) the misplaced Chest of Paragon, rumored to include a superb present of historical Dewberry and the Lost Chest of Paragon (The Fairy Chronicles #11) and strong knowledge, one she hopes to proportion with all of mankind. but if the chest is found, a disaster occurs, one so strong that even fairy magic is nowhere close to robust sufficient to mend the problem. however it was once Dewberry's relentless look for wisdom that triggered this catastrophe within the first place, and she or he must do every thing she will be able to to make it correct again...

this can be the 11th booklet within the Fairy Chronicles series, even if they're intended to be learn as stand-alone books. We found this sequence of books simply because our oldest is in the midst of a fairy craze correct now. She has accomplished various sequence within the Rainbow Magic assortment and she or he simply loves them all. yet those Dewberry and the Lost Chest of Paragon (The Fairy Chronicles #11) books are a section longer, and extra complex of their plot traces and that i imagine greater overall. The characters are richer and the tale is extra sophisticated. So the place our library has holes within the series, i bought the books, with the concept we are going to donate them after we are done. this can be a cautionary tale approximately making solid judgements and contemplating the impression of your actions. It includes an exhilarating event and a really dramatic occasion for the younger fairies. Our oldest rather loves those books; she reads them each day as a part of her examining homework after which we speak about them afterward. i admire having the ability to proportion and talk about books along with her and that i wish to take action for a really lengthy time.
