Dinetah: An Early History of the Navajo People

Lawrence D. Sundberg

Here, in a hugely readable style, is a full of life chronicle of the Navajo humans from prehistory to 1868. It's a sympathetic background of an excellent those who relied on their tenacity and artistic adaptability to outlive bothered times. The hardships and rewards of early band life, encounters with the Pueblos that revolutionized Navajo culture, the adversity of Spanish colonization, the growth of Navajo land, the tragic cycle of peace and battle with the Spanish, Mexican, and American forces, the Navajo leaders' lengthy quest to maintain their humans secure, the catastrophe of imprisonment at Castle Sumner--all mix to precise the relevancy of Navajo historical past to their humans today. This booklet with its wide archival illustrations and images weaves a posh yet comprehensible tale within which Navajos replaced the way forward for the Southwestern United States.
