Discurso Sobre La Dignidad Del Hombre/ Speech about the Dignity of Man (Clasicos De Siempre / Always Classics)

Giovanni Pico della Mirandola

Hacia finales de 1486, con solo veintitres años, Pico della Mirandola publica en Roma sus Conclusiones philosophicae, cabalisticæ et theologicae, conocidas como Las 900 tesis. Esta obra iba precedida de una introducción que tituló De dignitate hominis (Discurso sobre los ángeles dignidad del hombre). Dios, dice Pico, ha creado al hombre no con una única aptitud, sino dándole en común lo que ha otorgado en específico a los individuos: de su libertad depende construirse como ángel o como bestia. Se puede ser ángel, sostiene, con una vida activa y de contemplación; a esta última se llega por varios escalones, pero fundamentalmente mediante la apropiación filosófica. De profundo perfil humanista, Pico se adelanta en Discurso Sobre La Dignidad Del Hombre/ Speech about the Dignity of Man (Clasicos De Siempre / Always Classics) siglos a un debate aún pendiente, buscando atenuar diferencias y apuntando hacia una unidad ecuménica universal. Su excesivo amor por lo humano hizo que lo declararan hereje.

J'avais déjà entendu parler de réputation du Pic de los angeles Mirandole(1463-1494) comme un homme doté d'une érudition hors du commun, mais mes connaissances s'arrêtaient là. C'était un Italien issu d'une famille fortunée qui a mis ses moyens au service de sa soif d'apprendre: initié à los angeles philosophie Platonicienne par Marcile Ficin, il se passionne ensuite pour toutes les sagesse antiques, qu'elles soient grecques, juives, iraniennes, syriennes, égyptiennes, arabes : rien ne l'arrête, ni los angeles paresse, ni les préjugés. On croirait un de ces esprits enthousiastes de l'antiquité tardive. Âgé d'à peine vingt-quatre ans, il souhaitait présenter une somme de ces sagesse en neuf cent propositions, et ce petit ouvrage devait en être l'introduction. Franchement, j'ai du mal à ne pas éprouver une énorme sympathie pour l'auteur, qui semble tout simplement assoiffé de savoir. Le voilà qui se suggest d'apprendre telle ou telle langue old en Discurso Sobre La Dignidad Del Hombre/ Speech about the Dignity of Man (Clasicos De Siempre / Always Classics) à peine quelques semaines, et il le fait, et il l'utilise. C'est merveilleux! Aussi, pour donner du aid à toutes ces lectures, il a enchâssé los angeles quintessence de ce qu'il a appris dans ce livre, et il s'agit de chanter les louanges de l'homme, non pas pour que l'orgueil le fasse gonfler d'importance et le rende impotent, mais plutôt pour lui inspirer courage, confiance et ténacité: pour Pic de l. a. Mirandole, l'homme est libre de former sa propre nature, au rebours des animaux ou des anges qui sont figés soit par l'instinct, soit par le rôle que leur a assigné l. a. divinité. Aussi doit-il faire bon utilisation de cette liberté par l'instruction Discurso Sobre La Dignidad Del Hombre/ Speech about the Dignity of Man (Clasicos De Siempre / Always Classics) et l'examen personnel. On a finalement là rien que de très classique, mais Pic de los angeles Mirandole entoure tout cela d'arguments tirés de toutes les traditions de sagesse existantes. Comme elles se sont toutes influencées les unes les autres à un second ou à un autre, on ne s'étonnera pas qu'elles puissent converger. Même l. a. magie détermine en bonne position dans cette grande galerie. L'auteur donne à tout cela une attract optimiste, pleine d'entrain et d'alacrité, ce qui est une bonne selected motor vehicle ces sujets peuvent paraître bien au contraire horriblement ennuyeux. On ne trouve pas beaucoup de scepticisme chez Pic de l. a. Mirandole. En cela, il

ressemble bien aux anciens qui étaient si hâtivement pressés d'arriver à l. a. synthèse de los angeles vérité qu'ils en négligeaient toute prudence. En tout cas, les autorités ecclésiastiques ne voient pas d'un bon œil cet échauffement qui pourrait bien provoquer du vilain: blameless VIII lui met les bâtons dans les roues, et Pic de los angeles Mirandole vivra une vie d'exilé, allant çà et là. Ca me donne envie d'en savoir plus sur lui et son temps.
