Dog Body, Dog Mind: Exploring Canine Consciousness and Total Well-Being

Michael W. Fox

With awesome perception and vision, veterinarian and animal behaviorist Dr. Fox explores the minds and hearts of dogs. Dogs, and all animals, have a lot to teach their human companions, if merely people knew the way to listen. In puppy Body/Dog Mind, Fox seeks to reinforce readers' figuring out and communicate with their canine companions. He is helping readers develop into extra fluent in "dog speak," and to appreciate what canine feel, think, and want, strengthening the dog-human bond. Greater communication results in happier canine and people. Fox additionally bargains a holistic method of significant other animal care and preventive medicine, in addition to behavioral suggestion and coaching assistance that might aid warrantably a fit and chuffed animal.

there is a few good things right here approximately puppy behavior, yet for the main half it really is new agey and silly, with loads of congratulatory self-reference and nearly no science.
