# Doing Business with Beauty: Black Women, Hair Salons, and the Racial Enclave Economy

Adia Harvey Wingfield

Black girls include one of many fastest-growing teams of commercial vendors within the United States. In *Doing Business with Beauty*, sociologist Adia Harvey Wingfield examines this often-overlooked crew and the most well known companies run through those entrepreneurs: hair salons. Utilizing in-depth interviews with hair salon owners, *Doing Business with Beauty: Black Women, Hair Salons, and the Racial Enclave Economy* explores numerous elements of the enterprise of possessing a hair salon, together with the method of turning into an owner, the dynamics of the owner-employee relationship, and the standards that steer black girls to paintings within the hair industry. via Harvey Wingfield's study we will comprehend the black lady company owner's fight for autonomy and her good fortune in entrepreneurship.
