## Don't Call Me Katie Rose (Katie Rose and Stacy Belford)

Lenora Mattingly Weber

Katie Rose Belford is in her first yr at Adams High. She is rationale on being known as Kathleen and takes on a cosmopolitan photograph with a purpose to Don't Call Me Katie Rose (Katie Rose and Stacy Belford) provoke Bruce Seerie, a celeb athlete of Adams High. "Kathleen's" feelings and funds turn into really strained as she lives past her means. Does the strain develop into too stressful?

i actually loved this one! I had heard that the Katie Rose/Stacy Belford books were not pretty much as good because the Beany Malone ones, but when this primary quantity is any indication, i feel they delay very well! a few random thoughts: it's a bit bizarre that Ben calls his mother names like "sweetie," "gorgeous," and "Baby Doll." Babysitting was once so reasonable again then (131)! Oops! Glenn Miller is spelled unsuitable during this (they left off an 'n' in his first identify on 209). Gosh, they hit loads of canine during this (113, 208, etc.). Eh...that's a strange remark from Miguel approximately bashing Katie Rose's the teeth in (299)...even if it used to be all in jest. additionally a little bit appalled by means of the truth that the mother hits the youngsters (272).It's fascinating to notice a few of similarities to the Beany books. For example, either sequence characteristic a unmarried guardian household, and the easiest pal dates the protagonist's brother. Beany even makes an visual appeal during this publication (277)! i like how there are genuine classes learned—about now not judging others on appearances, no longer being ashamed of your family, and never being anything you are not. The messages could be not anything new, yet that does not reduce their undying importance. Weber writes together with her ordinary heat and Don't Call Me Katie Rose (Katie Rose and Stacy Belford) knowing of either the highs and lows of turning out to be up, and the publication as a complete makes for a really endearing and stress-free read.
