Earthbound (Harlequin Dreamscape) by Rebecca Flanders

Rebecca Flanders

She sought after him physique and soul For the 1st time in her vagabond life, Maggie found a true home. It used to be her dream come precise -- a stately brick Victorian with hardwood floors, paneled partitions and fireplaces that begged her to curl up in entrance of them. An extra attraction, the home got here Earthbound (Harlequin Dreamscape) with a tenant as well... Christopher Durand used to be clever, sexy, lovely and impossibly marvelous -- the main awesome guy Maggie had ever met. just one factor marred their turning out to be attraction. Christopher were useless for greater than 80 years...

this is often any such enjoyable read. Paranormal romantic come across among the clever mortal woman, Maggie, and the captivating Christopher who is been useless for the final a hundred years. Maggie is the trendy day unmarried girl approximately to develop into a primary time homebuyer. Naturally, the home comes with an undesirable occupant. Rebecca Flanders needs to be as substantial keen on the 1947 vintage motion picture The Ghost and Mrs. Muir as i'm simply because this complete e-book seems to be an homage to that groovy motion picture starring Rex Harrison. Already it really is hilariously outmoded via twenty first century standards, similar to whilst Maggie, an accessory math and physics teacher, makes use of the varsity community machine to do a seek on her ghost and retrieves his black and white picture through fax. Christopher declares such smooth wonders because the VCR and landline phone to be miraculous. How did we ever continue to exist with no the net and cellular devices? Everyone, together with Christopher, Earthbound (Harlequin Dreamscape) retains reminding Maggie that she must settle down, surrender her profession aspirations, and get married instead. For a 1990 paperback romance it is also very fresh with out gratuitous intercourse or undesirable language. learn this book. you can be rooting for Maggie and Christopher all of the way.
