# East & West: Papers in Ancient History Presented to Glen W. Bowersock

G.W. Bowersock

The papers during this quantity are in response to a 2006 Princeton collage symposium in honor of Glen W. Bowersock at the social gathering of his retirement from the college of the Institute for Complicated Study. The following is an exotic overseas workforce of historic historians explores the classical antiquity that Bowersock has given us over a scholarly profession of just about fifty years. The subject matters provided in "East and West" diversity through the historical global from the second one century BCE to past due antiquity, from Hellenistic Greece and Republican Rome to Egypt and Arabia, from the second one Sophistic to Roman imperial discourse, from Sulla's East & West: Papers in Ancient History Presented to Glen W. Bowersock self-presentation in his memoirs to charitable giving one of the Manichaeans in Egypt. This choice of essays represents the East & West: Papers in Ancient History Presented to Glen W. Bowersock 1st try to soak up Glen Bowersock's well-developed scholarly pursuits as a whole. The members open up new avenues that frequently run well past the normal geographical and temporal barriers of the Greco-Roman Mediterranean, resulting in a bunch of clean insights into old suggestion and life.
