Edward Elgar: Sacred Music by John Allison

John Allison

Edward Elgar was once for a few years the most well-liked composer in Britain; his tune was, and remains, inextricably associated with the final, excellent years of the Empire. but Elgar himself was once virtually fully untypical of the British Establishment. Born a shop-keeper's son, a part of an energetic Catholic family members and community, Elgar struggled for a few years opposed to the prejudices his history raised in track circles. Ironically, composition for the Anglican Church used to be an enormous early platform for Elgar, and it really is throughout the sacred song that this pioneering research ways his existence and work. It strains the improvement of a composer whose paintings used to be criticised for its Catholic overtones, but who was once knighted and the recipient of various professorships. John Allison weaves biography, composition and faith as by no means prior to to supply an important and illuminating new work. as well as surveying the sacred music, a lot of it for the 1st time, he provides a useful directory of the works, their scoring and primary production.

Edward Elgar Sacred Music
