

## **Eight White Nights: A Novel by André Aciman**

André Aciman

8 White Nights is an unforgettable trip via that enchanted terrain the place ardour and worry and the sheer yearning to invite for romance and to teach love can without end adjust who we are. a Eight White Nights: A Novel guy in his past due twenties is going to a wide Christmas get together in long island the place a lady introduces herself with 3 words: "I am Clara." Over the next seven days, they meet each night on the comparable cinema. beaten but cautious, he treads softly and will not chance a move. the strain among them builds gradually, marked through ambivalence, hope, and distrust. As André Aciman explores their feelings with uncompromising accuracy and sensuous prose, they stream either nearer jointly and farther

---

apart, culminating on New Year's Eve in a last scene charged with magic and the promise of renewal. Call Me through Your Name, Aciman's debut novel, verified him as one of many best writers of our time, knowledgeable on the such a lot sultry depictions of longing and desire. because the Washington publish publication international wrote, "The great thing about Aciman's writing and the purity of his passions may still position this impressive first novel in the canon of serious romantic love tales for everyone." Aciman's piercing and romantic new novel is a superb functionality from a grasp prose stylist.

De naamloze verteller van Witte nachten ontmoet op kerstavond tijdens een feest Clara. Clara ziet de hoofdpersoon een beetje verstopt achter de kerstboom zitten, loopt naar hem toe en stelt zich voor met de woorden: 'Ik ben Clara'. De hoofdpersoon, toch al niet op zijn gemak op het feest waar hij niemand kent, wordt daarmee compleet overrompeld. Onmiddellijk trekt hij allerlei conclusies over Clara, die hij allemaal na enige overweging weer verwerpt. Hij weet niet goed hoe hij moet reageren of wil reageren; hij twijfelt aan haar bedoelingen en weet niet hoe hij haar uitspraken moet interpreteren. Die onzekerheid blijft hem parten spelen, ook als ze elkaar in de dagen en nachten Eight White Nights: A Novel die volgen, langzamerhand beter leren kennen en er een intieme sfeer tussen rooster begint te ontstaan. Zo leidt het vinden van een antwoord op een sms, die Printz Oskr - zoals hij inmiddels door Clara wordt genoemd - op de derde dag ontvangt, tot de volgende overwegingen: "Ik wilde reageren met een vastberaden 'Akkoord', maar besloot de toon wat af te zwakken tot het wat optimistischer, maar formulaire 'Prima', wat ik eerst veranderde in het inschikkelijke 'Ik zal er zijn', vervolgens in het telegramachtige 'Zal er zijn', wat ik op het allerlaatste second wilde temperen tot het vriendelijkere en minder directe 'Tot dan', om uiteindelijk toch te kiezen voor het eerder verworpen 'Prima'. Alles zo bedekt en bedacht. Onecht. Van beide kanten? Of alleen van mijn kant?" Alles wat de verteller zich tijdens die dagen voorneemt om te doen en dan weer niet te doen, alle afwegingen die hij maakt, alle indrukken die hij opdoet van Clara met alle overwegingen die hij daarbij heeft, worden weergegeven. De gesprekken die ze voeren zijn soms voorzichtig, dan weer prikkelend, regelmatig afwerend, dan weer uitdagend en Eight White Nights: A Novel naarmate Eight White Nights: A Novel de dagen vorderen steeds erotischer van inhoud, maar vrijwel nooit spreken ze zich rechtstreeks Eight White Nights: A Novel uit. Ze vinden hun eigen termen uit en proberen elkaar regelmatig af te troeven door hun literaire en Eight White Nights: A Novel muzikale kennis te etaleren. De spanning tussen beiden loopt voelbaar op in de loop van de Eight White Nights: A Novel dagen en nachten tussen kerstavond en nieuwjaar waarin ze elkaar blijven ontmoeten en leidt uiteindelijk tot een climax. Voor zover de lezer niet door zou hebben wat er aan de hand is, wordt dat wel duidelijk gemaakt door het gegeven dat beiden dol zijn op movies van ric Rohmer, waar woorden van de hoofdrolspelers ook lang niet altijd overeenkomen met hun daden en de gedachten, gevoelens en emoties van de personages belangrijker zijn dan het verhaal. Clara's scherpe reactie op de onschuldige opmerking van een bioscoopbezoeker ("Maar in het echt doen mensen toch helemaal niet zo, en ze praten al helemaal niet zo") zou kunnen worden opgevat als een duidelijke trace over de bedoelingen van Aciman met deze roman. Duidelijker tricks zijn natuurlijk de titel en het verhaal zelf, maar voor alle zekerheid, legt de hoofdpersoon zelf al het verband met Dostojevski's Witte nachten uit. De verleiding is daarom ook groot om Witte nachten te beschrijven als een eigentijdse, Amerikaanse versie van Dostojevski's verhaal, geregisseerd door ric Rohmer en opgeschreven door Andr Aciman. Maar met evenveel recht kan het gekarakteriseerd worden als een romantisch verhaal over een opbloeiende liefde

---

tussen twee 'upper class', *Eight White Nights: A Novel* tamelijk snoeverige, maar ook onzekere mensen. Dat je niet echt het gevoel hebt een romance mee te maken, is de bijna-onmogelijkheid om een band met de hoofdrolspelers te krijgen, omdat het simpelweg niet zulke sympathieke mensen zijn. De stilistisch fraaie wijze van vertellen van Aciman, moet ervoor zorgen dat je toch gefascineerd en soms zelfs ontroerd wordt door de irritant onzekere verteller en de hautaine Clara. Of dat echter bij iedere lezer zal lukken, is zeer de vraag. *Witte nachten* is Acimans tweede roman; hij bracht in 2007 zijn eerste roman *Noem me bij jouw naam* uit, nadat hij eerder *Eight White Nights: A Novel* al een tweetal non-fictie boeken geschreven had: *Out of Egypt*, *fake papers: essays on exile and memory*. Daarnaast heeft hij een boek samengesteld en geredigeerd, *The Proust Project*, waarin de favoriete passages van 28 auteurs uit Prousts *Op zoek naar de verloren tijd* zijn opgenomen.
