# **El Crimen de La Guerra: Colección de Clásicos de La Literatura Latinoamericana "Carrascalejo de La Jara"**

Juan Bautista Alberdi

Alberdi fue testigo durante el siglo XIX de hechos de sangre. El Crimen de La Guerra: Colección de Clásicos de La Literatura Latinoamericana "Carrascalejo de La Jara" y de violencia que desde niño lo impresionaron. Las guerras de los angeles independencia; los angeles luchas civiles que se desencadenaron a partir del año 1820 hasta l. a. derrota de los angeles tiranía en Caseros; l. a. guerra de secesión cuando Buenos Aires se separa de los angeles Confederación; l. a. Guerra del Paraguay que tanto le preocupó dadas sus devastadoras consecuencias; las asonadas, conspiraciones y revueltas que en 1880 le tocó vivir siendo diputado nacional. También, durante su larga permanencia en Europa, como Ministro de l. a. Confederación o como exiliado, fue testigo de l. a. guerra de Crimea, de las convulsiones surgidas con l. a. instalación del Segundo Imperio y de los angeles guerra franco-prusiana. Para un enemigo jurado del desorden y los angeles violencia, de l. a. dictadura y los angeles demagogia, que creyó siempre en los valores superiores de los angeles libertad y los angeles justicia, de los angeles seguridad jurídica y de l. a. paz, y que aspiraba fueran realidad no solo en su país, sino también en el mundo, l. a. convocatoria de una asociación religiosa europea -la Liga Internacional y Permanente de l. a. Paz-, fue suficiente para decidir su participación y redactar "El crimen de los angeles guerra", ensayo que no llegó a presentar, ni a concluir. No obstante esta circunstancia es un libro de gran valor ethical e intelectual y de alarmante actualidad, de sorprendente aplicación a nuestra realidad del siglo XXI. En nuestro país fue blanco de múltiples críticas, de prohibiciones, de l. a. sombra de los sótanos y del fuego.
