# Encyclopedia of Women and Religion in North America, Set

Rosemary Skinner Keller

The Encyclopedia of Women and Religion in North America, Set 25 years of scholarship at the background and present kingdom of women's spiritual adventure Encyclopedia of Women and Religion in North America, Set in North America. the results of a five-year undertaking led by way of Rosemary Skinner Keller and Rosemary Radford Ruether and funded by way of the Lilly Endowment and the Henry Luce Foundation, the encyclopedia marshals the skills of greater than one hundred fifty students to supply the main finished and up to date description and research of girls and faith in North America. The encyclopedia is interreligious, interracial, and multicultural and is geared toward a large common audience. Instead of 1000s of brief entries, this encyclopedia positive aspects greater than one hundred forty five longer essays that allow significant topics to be built extra fully. The articles specialise in institutions, movements, and ideas. The authors weave biographical sketches into their articles to offer them a extra own and humanizing quality, and to acknowledge the ladies liable for the profits revamped the centuries. The essays show that neither the tale of ladies nor the tale of faith in North the USA might be properly informed until the non secular event of girls is built-in into the guts of women's and spiritual history. These well-illustrated volumes may be a necessary reference for all of these attracted to the position of ladies in North America's bright and intricate spiritual Encyclopedia of Women and Religion in North America, Set life.

This was once chosen as a good Reference resource for 2007. For the total list, visit <http://www.ala.org/ala/mgrps/divs/rus...>
