

Etowah County (Images of America: Alabama)

Bob Scarboro

Drawing from, between different sources, the gathering of famed photographer Adolph Lebourg, a French immigrant who traveled to Alabama with a circus, Scarboro and Goodson mix outstanding pictures with insightful textual content to supply a distinct examine the county's heritage. In particular glaring in Lebourg's photos is a fondness for motorcycles, supplying an exceptional focal point for lots of of the book's images. Etowah County comprises such attractions because the Kyle Home, which as soon as stood at the current web site of the Etowah County Courthouse, the house of Alabama strength corporation founder W.P. Lay, and several other of the county's early motion picture theaters. Many neighborhood companies and industries are highlighted within the early years in their existence. Additionally integrated are glimpses of such neighborhood occasions as parades, wearing events, and the attractive Nocallula Falls. Even if one is an established resident acquainted with the entire region has to offer, or a newcomer desirous to study extra of the county's heritage, Etowah County is a superb examine days long gone by.
